DESCRIPTION

AD #1513 POSTED: 17/02/2025

[DEMO AD] The owl finch, with its bold, black-and-white facial markings, resembles a tiny owl! These social, active birds thrive in small groups and add character to any aviary. A must-have for finch lovers looking for something truly distinctive! Thank You for Using American Breeder This listing is a temporary placeholder designed to demonstrate how breeder ads will appear on our website. Consider it a sneak peek of how your own ad could look when you choose to advertise here. As breeders begin posting real listings in this category, these placeholders will be replaced with authentic ads from members of our growing community. This preview highlights the potential of our newly launched platform—a dedicated space created for both breeders and buyers to connect, learn, and grow together.
