These tiny, little guys are Chiweenie's. Their mom is Dachshund, and Chihuahua. Dad is full blooded miniature Dachshund. They are short, smooth haired. They have the Dachshund ears, and long body. They like to snuggle in a blanket, and cuddle, chew on their toys, and play outside. They turned 6 weeks old on September 3rd. They were born July 22, and have had their 6 weeks shots. They were microchipped on their 10 week vet checkup along with their second set of shots. They have had their heart worm, flea & Tick chewable. September 30th. They are ready for a new home. Some unique characteristics from their dad's bloodline. Piebald coat pattern, Blue Dapple, and Silver Dapple. They have been registered. The little girl is already sold. I have two black with silver sheen to them, and one red, tan...[Read More]
