Looking for AKC-registerable male French Bulldog puppies for sale? We're a responsible home breeder based in Summerville, South Carolina (29485) with over 10 years of experience raising healthy, well-loved Frenchies. This special litter is from our beloved girl, Ruby, who was bred in December. This is her first and only litter, as we believe in breeding for quality, not quantity. We chose a proven show-quality sire, and we're even keeping one puppy for the show ring ourselves. Our last available male French Bulldog puppies, Romeo is being raised in our home and is extremely well-socialized with adults, children, and other dogs. Meet the Puppies: Romeo – Red Fawn Male Smart, confident, and independent. Romeo loves being held and thrives with affection. He's playful and has a curious, alert nature — a perfect companion.
