Beautiful litter of black and yellow AKC registered labrador retrievers were born 10/21/25 and will be ready for their forever homes December 16th! Labradors have wonderful temperaments- loyal, loving, and eager to please! Parents AKC registered, OFA certified american/english style labradors from excellent hunting lines and great family dogs. Pups will have their first round of vaccinations and dewormer, are raised in a family environment with plenty of socialization, an AKC puppy starter kit with easy access registration paperwork, written bill of sale, and house training started. These pups will make excellent companions, whether you are looking for a loyal family dog, a hunting partner, or a prospect for hunt tests/field work.
