Our puppies are Standard Goldendoodles F2B, raised in the comfort of my home around kids and other animals. Dame and Sires are health tested and cleared through embark and mom is an AKC Standard Poodle, dad is an F2 Standard Goldendoodle. These puppies were born on September 17th 2025 and are now 8 weeks old and ready for their new homes. They're age appropriate vaccinated and dewormed as well as physically examined by a vet who deemed them healthy. These puppies will come with microchips and a goodie bag with bags, pads, vials, vet record and more! They're potty trained and have amazing temperaments which is what we aim for when we breed. They're smart, loving and caring, they love to play and get cuddles. We offer free delivery up to 3 hrs distance and after that a fee will...[Read More]
